Summer Projects Take Shape at Trinity Pines

This was to be the summer--we had all agreed--that perhaps no construction would take place at Trinity Pines. We had decided to give the staff a summer to catch their breath and then move forward in 2010. However, it seems that God had a different plan for our schedule. Right now at Trinity Pines you would find a host of volunteers and staff working on the following:

- Landscape in Memory Garden area
- Construction of new maintenance building
- Baker City folks on site for amphitheater construction
- Working to relocate the Snack Shack
- New irrigation systems being installed in retaining wall and soccer field
- New water lines to amphitheater and Lodge #3
- Footbridge between RV and tent camping area
- New doors being installed on Conference Center for energy reasons

Thanks for the hundreds of volunteer hours and the energy that has been generated these past two months in the work on these projects. I guess we will look ahead and maybe plan to relax in the summer of 2010. But who knows – The Master Manager of Operations may have a different plan for that summer as well. We will remain obedient and hope you will stop in and see the improvements.

General Assembly Reflections

Did you know . . .

- Rich Vasquez, our district NYI president, was elected to the position of NW Region NYI President?
- Carolity Fraley, former missionary and now pastor's wife at Caldwell Canyon Hill, was elected as the Northwest Region representative on the Global NMI council?

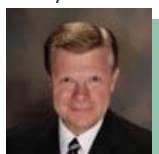

Eugenio Duarte was elected the 37th general superintendent. Duarte, regional director for Africa and a native of the island of Brava in the Cape Verde Islands, became the first citizen from outside the USA/Canada Region elected to the Church of the Nazarene's Board of General Superintendents in the 100 year history of the denomination.

David W. Graves, pastor of the Olathe, Kansas, College Church of the Nazarene, was elected the 38th general superintendent of the Church of the Nazarene. A fourth generation Nazarene on both sides of his family, he told the crowd, "All I've known my entire life is the family of the Church of the Nazarene."

Stanley A. Toler, pastor of the Oklahoma City Trinity Church of the Nazarene and recently elected district superintendent for Southwest Oklahoma, was elected as the 39th general superintendent of the Church of the Nazarene. "I have spent my whole life as a pastor," he said. "I have never aspired to be anything but a pastor."

Reflections from our delegates . . .

"- extremely inspirational services
- a sense of the Lord's leading in our business sessions
- the pleasure of participating with so many international delegates in the business sessions" -- Joel Pearsall

"**Rich** - Worship services. In every meeting, the Lord was honored above any business or human personality. The Holy Spirit lavished His anointing and presence.

Rejoicing - The memory of newly-elected General Superintendent Eugenio Duarte being physically lifted by the joyful African delegation will never leave my heart.

NAZARENE MISSIONS INTERNATIONAL
L.I.N.K.S.

Loving, Interested Nazarenes, Knowing and Sharing

The **LINKS** program of the Church of the Nazarene is a network of personal connections between missionaries and Nazarenes around the world. Missionaries are assigned to districts and, then on the district level, connected to local churches. This gives each church an opportunity to become personally acquainted with the missionary family and their field of service. Typically, churches send packages, cash gifts, cards, and other remembrances to their LINKS missionaries.

In return, the churches feel a sense of involvement with the world mission enterprise of the church through regular correspondence from the missionaries, updates from their field, and even through deputation services while the missionaries are on furlough. The missionaries are encouraged, knowing people care and pray for them. The relationships built over time personalize names and faces that both the missionaries and their LINKS churches value highly.

- Do you know who your **LINKS** missionaries are?

General Assembly Reflections, con't.

Rigorous - Schedules were carefully planned and every waking hour conscientiously utilized. We quickly walked miles in our comfortable shoes.

Rhythm - Some countries had lots of it. I don't and really wish I did.

Relationship - Renewed friendships and faces now associated with email relationships- wonderful!

Reinvigorated - Now the God of peace, who brought up from *the dead the great Shepherd of the sheep through the blood of the eternal covenant, even Jesus our Lord, equip you in every good thing to do His will, working in us that which is pleasing in His sight, through Jesus Christ, to whom be the glory forever and ever. Amen.* (Hebrews 13:20-21, NASB)

Responsibility - To pray for and support the newly elected General Superintendents, Board members and other leaders.

Remarkable - Thank you for the privilege of representing the Intermountain District. I will never forget it." --Pastor Joy Streight
